Hebron Dems—Who Are We?

We are people, just like you, who love our town. We coach your kids, lead scout troops, deliver meals on wheels, serve on town committees and boards, volunteer at town events, and support our community. This is Hebron! We are a small town. We love our families, our schools, our farms, our neighbors. We are not trying to change the way we live in Hebron. We are trying to create sustainability for our little town because we want both young and old to be able to call Hebron home for however long they want to.

DTC Member Spotlight ***Amy Holdridge D'Amaddio***

Amy D'Amaddio grew up on a farm in North Stonington and showed cows at the local fairs as her first job. She's been married to her husband Darin for almost 27 years and has three adult children. Prior to retiring in 2016, Amy was employed by the State of Connecticut Judicial Branch probation department working with juveniles. A DTC member since 2010, Amy ran for the RHAM BOE in 2011 and served eight years, one of those years as chair.

Amy along with three other women, founded the Coalition of Diversity and Equity (CoDE) in 2020 after a DTC rally protesting the death of George Floyd. They started out small, wanting to bring awareness to our community about the value of diversity in our schools and in our town, implicit bias, and housing issues. Today, CoDE has grown to 50 members with over 300 people on their mailing list. In her free time Amy loves spending time with her kids, kayaking, gardening and bee keeping.

Hebron Dems are everywhere - year round, not just when our candidates ask for your vote! You will find us supporting the Town Center Project, Trunk-or-Treat, Small Town Pride, Farmers Market, Craft Fair, Maple Fest, Hebron Day, and Volunteering

Hebron Democratic Town Committee –What We Do

State and national issues are always a part of any town political committee, the Hebron Democratic Town Committee (DTC) is primarily concerned with finding and helping local citizens take part in our community.

The DTC strives to build a better Hebron by assisting local Democrats who want to run for office, serve as appointed town Board and Commission members, or work on campaigns for town, state, and federal candidates. The committee conducts periodic fundraisers to raise money for election campaigns and other party functions.

We believe in preparing for a better future for Hebron through careful planning and hard work. We are committed to make Hebron a prosperous place for all residents - from our senior citizens to young families - by electing great candidates, supporting investments in town services and education, and pursuing responsible economic development opportunities.

The committee meets at 7:00 p.m. on the fourth Monday of each month at The Russell Mercier Senior Center unless conditions warrant a virtual meeting. All registered Democrats are welcome to attend. Membership is limited to 35 residents registered in the Democratic party. Candidates for membership are elected by a majority vote of existing members.

Ways You Can Volunteer And Get Involved:

Canvass: Knocking on doors is the BEST thing we can do to get out the vote and elect Democrats to office. When you canvass, we give you a list of houses that we are fairly certain are Democrats. Door knocking is NOT about convincing people to vote for Democrats. Door knocking is about talking to Democratic voters and reminding them to vote.

Parades: Marching in parades under the DTC Banner is an excellent way of showing our community the strength and diversity of the Democratic Party.

Town Event Booths: Helping the Democrats staff booths at various events around town helps us improve our visibility with voters and talk to people about the issues facing them. Booth events include things like Hebron Days, Harvest Festival, and Trunk-Or-Treat.

Run for Office: We need strong Democrats running in races up and down the ballot. There is no race that we should abandon. Candidates running in every race ensure we speak to every voter about our issues. If you decide to run, we have lots of ways to support you.

Help local candidates: Keeping local seats progressive is as important as keeping the Presidency, and our candidates need your support.

Donate: We hate how influential money is in politics, but until we can change those laws, we need money to win. Money donated to the Hebron Democratic Town Committee goes directly towards getting our candidates elected.

Attend a Fundraiser: There is so much good Democrats could do if we win the 2024 elections. A win that will defeat Trumpism and steer America away from Autocracy is in our grasp, but we need your help to get over the finish line. We have some great events planned and will make details available so you may plan accordingly.

***Please Consider Donating to the Hebron Democratic Town Committee
Your donation ensures we have candidates who share our values, the infrastructure they need to campaign and the support they need to win elections.***
